

The background of the card is decorated with various colorful floral and leaf motifs. There are blue leaves and flowers on the left side, yellow and green leaves and flowers at the top, and red and pink flowers and leaves on the right side. The motifs are scattered and appear to be falling or blowing in the wind.

Même une feuille de papier
est plus légère si on la porte à deux

Even a sheet of paper is lighter
when carried by two

[proverbe coréen]

[Korean proverb]
